PETITION UNDER 37 CFR 181

(One Month)

Dear Sir:

This is a petition to review the above identified patent application.

A Notice of Abandonment for the above identified patent application was sent by the Patent Office on October 3, 2002. This abandonment notification was based on the stated failure of applicant to timely or properly reply to the Notice to File Missing Parts (Notice) mailed on 12/07/01.

Enclosed are copies of the Response to the Notice to File Missing Parts. These were mailed on March 5, 2002 according to the statement of Ms. Coffaro and received in the USPTO on March 12, 2002 according to the copy of the returned postcard, also enclosed.

Please note that in the papers was a request that the fee for the extension of time be waived since the Notice to file Missing Parts was not received until late February 2002.

Please remove the abandonment of this application and reinstate it for prosecution by an Examiner.

Respectfully submitted,

Martin Barancik

PETITION FOR EXTENSION OF TIME
UNDER 37 CFR 1.136(a)
(One Month)

Dear Sir:

Pursuant to 37 CFR 1.136, it is respectfully requested that the period for replying to the Notice to File Missing Parts of Nonprovisional Application dated December 7, 2001 in the subject application be extended for a period of one month from February 7, 2002 to March 7, 2002. Please charge the \$110.00 fee for the one month extension to Account No. 03-2455.

Please note that while this notice was mailed December 7, 2001 it was not received at Colgate until February 25, 2002 as shown on the enclosed notice. It was received 18 days after the "Due Date" of February 7, 2002. Also enclosed is the envelope, which demonstrates the difficulty this correspondence had in arriving at Colgate. Therefore, I respectfully request that the one month extension fee of \$110.00 be waived for this matter.

The Commissioner is hereby authorized to charge any additional fees that may be required to Account No. 03-2455.

A duplicate of this paper is provided for the charging of fees due.

Respectfully submitted,

Martin Barancik
